

Release no. 05/2011

Thomas Honoré new CEO of Columbus IT

Columbus IT Partner A/S shall hereby make public that Thomas Honoré as of May 1st 2011 joins the Company as new CEO.

41 year old Thomas Honoré comes from a position as Vice President and CEO of Oracle Denmark where he has been since 2005. Apart from his carrier in Oracle Thomas Honoré has for seven years filled various Top Positions within the IBM group.

Thomas Honoré's pronounced implementation ability, vast experience within driving software development, solution sales, and consultancy perfectly matches Columbus IT's strategy. Thomas Honoré says:

"I look forward to joining Columbus IT as CEO and to implement the planned strategy. With its approx. 1000 employees and a revenue of DKK 1 bn. the Company has a strong foundation for further international expansion. It is my assessment that Columbus IT has a clear strategy and that the Company is ready to grow with focus on Industry Specific Solutions based on Microsoft Dynamics – a segment where Columbus IT today is the global leader."

Claus E. Hansen who has been in Columbus IT for four years leaves Columbus IT by the end of April 2011.
