Release no. 21/2010

Columbus IT wins another strategically important order in the agricultural sector in the UK

Columbus IT has secured a major new win with the leading Agri-Nutrition provider, Origin Enterprises plc. Origin has chosen to invest in Columbus IT's industry solution based on a Microsoft Dynamics AX business platform that offers competitive advantages in a changing economy and rapid growing market.

The new order does not change Columbus IT's expectations for revenue and profit for 2010.
